Describe the problem you are having:

Work will not be started until Absolute Computers receives a work order with all lines filled in and a signature below. TIPM's will not be shipped to the customer until payment is received. Property left after 60 days will be considered abandoned by the customer and disposed.

By sending Absolute Computers my TIPM and signing below, I take full responsibility for any harm or damage that may occur to any vehicle, occupants, person or property as a direct or indirect result of the replacement of this part or work performed on it. I realize if I am concerned with the operation of the TIPM and the safety associated with this repair, I will take my vehicle to the repair center or dealership of my choice and have it serviced there. I am responsible for the shipping / packaging. Absolute Computers is not responsible for damage incurred during shipping. By signing below I authorize Absolute Computers to perform the repair and then call me for payment of \$269 plus sales tax and/or shipping as applicable. I agree that the only refund is that described on the web site and no other warranty / refund is expressed or implied.
